SUBJECT: PROCESSING DIVERSION CONFIRMATIONS FOR SY 2006-2007

Attached you will find your "Processing Diversion Confirmation" for SY06-07. The diversions were based on your Processing Survey Responses, 1st – 2nd – and/or 3rd Choices that you submitted earlier this year. The processing survey submitted by your school is your request and the diversion is what ADE was able to divert. **In an attempt to fill as many trucks as possible, if I couldn't send your entire requested amount to your first choice, I may have diverted the remaining quantity to your second or third choice.**

This confirmation list is provided to inform and assist you in coordinating your orders with the processors and/or brokers. A duplicate list of your processing confirmation has also been sent to the processors and brokers.

If you have any questions or concerns regarding this confirmation, please feel free to contact me at (602) 364-1965 or Dawn Irvine at (602) 364-0714. Thank you.
